

Riverside General Hospital - Patient Admission Policy

1. Registration Requirements

Patients must present a government-issued photo ID and insurance card at admission. Emergency admissions may proceed with partial information but must complete registration within 24 hours.

2. Insurance Verification

Admitting staff verify coverage through the electronic eligibility system before assigning an inpatient bed. Pre-authorization is required for elective surgeries.

3. Admission Paperwork Timeline

Non-emergency patients must finalize admission paperwork within 4 hours of arrival. Incomplete forms are flagged for patient financial services follow-up.

4. Discharge Planning

Discharge planning begins within 24 hours of admission for expected stays longer than 48 hours. Social work consults are available for transitional care.
